SECURE ROOTS PACKAGES

If a specific document isn't available, leaders can simply request it, and it will be added to the resource library. The collection will be regularly updated and carefully aligned with the latest guidance, including Keeping Children Safe in Education (KCSIE) 2025.

Resources will cover all five core areas:
Safeguarding,
Attendance, Behaviour,
Inclusion, and Personal
Development.

Secure Roots believe that supporting a joined-up, efficient and compliant approach to these five areas will lead to a safe and supportive school environment.
