## SECURE ROOTS ANNUAL AUDITS 25-26

Secure Roots will offer audits across key areas including Safeguarding, Attendance, Behaviour, Inclusion, Personal Development, and Wellbeing, all of which are essential components of a secure and holistic education offer. Each audit will result in a comprehensive external written report with clear, actionable next steps, supporting leaders in strengthening their provision and aligning with the expectations set out in KCSIE2025.

Secure Roots is passionate about working in partnership with school leaders, offering in-person coaching, mentoring, and live CPD to enhance confidence, build capacity, and foster a shared sense of responsibility and ownership in these crucial areas.

This rigorous and reflective process provides valuable evidence for reporting to Governors, demonstrating compliance, impact, and continuous improvement.

The aim is not only to assure standards but to empower leaders, helping them drive sustainable improvement and create safe, supportive environments where all children can thrive.
