SECURE ROOTS PROFESSIONAL CASE SUPERVISION 25-26

Secure Roots will offer Professional Case Supervision for school leaders across all five key areas. As highlighted in Keeping Children Safe in Education (KCSIE) 2025, supervision is a vital element of effective safeguarding practice, providing leaders with protected time to reflect on complex cases, decision-making, and the emotional impact of their role.

Secure Roots recognises that school leaders often carry significant responsibility, and supervision offers a structured, supportive space to explore challenges, reduce isolation, and ensure best practice.

Resources will cover all five core areas:
Safeguarding,
Attendance, Behaviour,
Inclusion, and Personal
Development.

Through this professional dialogue, leaders are empowered to make confident, informed decisions- ultimately strengthening outcomes for children and supporting their own wellbeing.
