Secure Roots will provide a weekly pupil assembly resource in the form of short, engaging 2-minute videos, each linked to one of the five key areas: Safeguarding, Attendance, Behaviour, Inclusion, and Personal Development. These videos are designed to be shared with children during assemblies or class time, offering a consistent and age-appropriate way to keep important messages front and centre.

SECURE ROOTS PACKAGES

As leaders, it is vital that our pupils are given regular opportunities to learn about and reflect on key themes such as British Values, Protected Characteristics, and knowing who to speak to if they are worried.

Resources will cover all five core areas:
Safeguarding,
Attendance, Behaviour,
Inclusion, and Personal
Development.

The resources will also act as a stimulus for oracy, critical thinking, and developing independence, helping children to become more informed, confident, and responsible members of the school community.
