SECURE ROOTS WEEKLY STAFF UPDATE CPD 25-26

Secure Roots will provide weekly staff update CPD in the form of short, focused 2-minute videos that can be easily shared with staff teams. As highlighted in Keeping Children Safe in Education (KCSIE) 2025, regular safeguarding updates are essential to ensure all staff remain alert, informed, and confident in their role in keeping children safe.

These concise videos are designed to make CPD accessible, manageable, and meaningful, without adding unnecessary workload or pressure. Secure Roots recognises that while whole-school or Trust-led CPD often focuses on broader priorities, it is vital that safeguarding and related topics stay front of mind for all staff.

Resources will cover all five core areas:
Safeguarding,
Attendance, Behaviour,
Inclusion, and Personal
Development.

These updates will help maintain awareness, reinforce key messages, and ensure consistent knowledge across teams throughout the year.
